Consent

By using this websites https://live.neptunefi.com/ and www.neptunefi.com you consent to the use of cookies in accordance with this policy. You will have seen a pop up to this effect on your first visit to this website; although it will not usually appear on subsequent visits you may withdraw your consent at any time by following the instructions below.

This website uses cookies. We use cookies to analyse our traffic. We also share information about your use of our site with our analytics partners who may combine it with other information that you've provided to them or that they've collected from your use of their services. Clicking the "OK" button indicates your consent.

Disabling cookies

If you do not agree to the use of these cookies please disable them by following the instructions for your browser set out here . Please note that some of the services will not function so well if cookies are disabled.

Where the organisation setting the cookie provides an automated disabling tool in respect of its cookie(s) we list the name of that organisation, the category of cookies it sets together with a link to its automated disabling tool. In all other cases, we list the names of the cookies themselves and their source at the date of this Cookies Policy so that you can easily identify and disable them if you want through your browser controls.

Some browsers make it possible for you to signal that you do not want your internet browsing activity to be tracked. Disabling tracking may interfere with some uses of the Website and the services provided on the Website.

After your initial visit to the Website we may change the cookies we use. This Cookies Policy will always allow you to know who is placing cookies, for what purpose and give you the means to disable them so you should check it from time to time.

What are cookies?

Cookies are text files containing small amounts of information which are downloaded to your device when you visit a website. Cookies are then sent back to the originating web domain on your subsequent visits to that domain. Most web pages contain elements from multiple web domains so when you visit the Website, your browser may receive cookies from several sources.

Cookies are useful because they allow a website to recognise a user's device. Cookies allow you to navigate between pages efficiently, remember preferences and generally improve the user experience.

They can also be used to tailor advertising to your interests through tracking your browsing across websites.

Session cookies are deleted automatically when you close your browser and persistent cookies remain on your device after the browser is closed (for example to remember your user preferences when you return to the site).

What types of cookies does the Neptune use?

We describe the categories of cookies the Neptune and its affiliates use below.

Statistic Cookies (3)
These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site.
